About Outreach UK

Outreach UK was founded in 1874 to encourage and support effective personal evangelism.

Our mission is to share the Good News of the Gospel of Jesus Christ to those who are at present outside the Christian family and may never have had explained to them their need of a Saviour.

Outreach UK is interdenominational and evangelical. It is governed by a council of men and women drawn from Protestant denominations and backgrounds. Outreach UK exists to serve and support the mainstream churches in the United Kingdom and has been doing so for over 150 years.

We have adopted the Basis of Faith as set out by the Evangelical Alliance.
